Kerri used her key to let herself into her next job. She'd been cleaning this apartment every week for three months now. It was her favorite. The owner, a single man she knew only as "Mr. Johnson" was relatively clean. It was only a matter of going in and doing the vacuuming, dusting and mopping.

That wasn't what she loved about cleaning Mr. Johnson's apartment though. What she really liked was that Mr. Johnson tended to leave out his sex toys. She was amazed at all of the things that one man could find to play with. He had vibrators, butt plugs, handcuffs, paddles and so many things that she couldn't name them all. She'd had to look up a lot of them on the internet just to see what they were used for.

She loved to go into his room, check out the latest movie he'd been watching and just look at his toys. The service she worked for gave her three hours to clean his apartment. It never took more than forty-five minutes, so she'd lie down on his bed, watch a movie and usually end up masturbating before she left.

She'd never met Mr. Johnson. He was always at work while she was there, but she didn't need to meet him. She knew a whole lot about him just by looking at his toy collection.

Kerri made quick work of the kitchen and living area, and then went on to the bathroom. As soon as she finished, she went into his room and sat down on the bed. She pulled her vibrator out of the pocket of her shorts.

She preferred to work in short shorts and a tank top. It was hot work, and she tended to sweat. It was so much easier if she had less cumbersome clothes on.

Kerri had dark hair and chocolate brown eyes. Her figure was perfect thanks to the physical work she did five days per week. The only part of her body she was unsatisfied with was her chest. She wore a 36G and got really tired of men never meeting her eyes. She'd thought multiple times about attaching eye ball stickers to her tits. Maybe men would be able to look her in the eye then.

She grabbed the remote and turned on the TV, pushing play on the DVD in the player. She had no clue what was on it, but was sure that it was a good one. He only watched porn, and this was her weekly outlet.

Kerri hadn't been sexually active since high school, and she was 22, so that was saying something. It wasn't that men didn't come on to her, they did; she just didn't feel like she wanted the complication of a man in her life right now. Her vibrator did the job well enough without any of the fights or emotional entanglement that came with a boyfriend. She

was doing online school, and she just didn't need anything extra in her life right now.

She took her shorts off. She never bothered with panties on Thursdays, because she knew she'd be using her vibrator while she was doing this job. She pulled her tank top over her head, unfastening the front fastener on her bra. She spread the cups and tweaked her nipples with her fingers.

She lay back on the pillows and fingered her clit while the images appeared on the screen. A man, with the largest cock she had ever seen, was kneeling behind a blond haired woman with a butt that could have only been created by silicone.

The man was gorgeous. He had dark hair and eyes, with a wicked grin that shot a volt of energy straight to Kerri's pussy. As she watched, he guided his monster piece meat to the woman's pussy lips. Kerri moaned softly, sliding a finger into herself, and slowly moving it in and out.

The man onscreen slammed his cock into the woman's cunt, and the woman let out a squeal. Kerri wasn't sure if it was a pleased or pained squeal, but she was guessing it was pain. Like all women, she fantasized about having a cock that size, but she would never actually want one. It was just too big. She couldn't see it causing anything but pain.

She reached over and picked up her vibrator, guiding it to her cunt, and pushing it inside. She moaned softly, never taking her eyes off the TV. She moved the vibrator in and out of her pussy, starting out slowly and gradually gaining speed. She watched the slow fucking and listened to the moans and groans coming from the computer as she fucked herself.

It wasn't long before she started moaning along with the people on the TV. This was the hottest video she'd seen here. Watching that cock on the TV and imagining it in her pussy was doing a lot for her. She felt herself coming, and with a loud moan, pulled the vibrator out of her pussy, leaning back against the pillows with a sigh.

"That looked like fun. You should have waited for me," a deep voice said.

Kerri's eyes widened and she looked up at the doorway to the living room. "Oh shit," she said quietly.

It was the man from the movie. What the hell was he doing here? He was even better looking in person than he was on TV.

He laughed. "Watching my movie?"

“Umm, yes. Who are you?” she asked. She always locked the door when she worked somewhere. Always.

“I’m Ted Johnson. This is my apartment. And you are?” He raised an eyebrow as he asked the question.

She swallowed hard. If he called the service, she’d be fired. She couldn’t let that happen. This was the best paying job she’d ever had, and she needed to keep it.

“I’m Kerri. I’m your cleaner.” She pulled the sides of her bra over her tits and started to fasten it. “You’re a porn star?”

He sat next to her on the bed, stopping her hands. “There’s no need to fasten that. I’d rather play with them while I fuck you. And no, I’m not a porn star. I’m a business owner. I did the movie as a favor for a friend.”

“Some favor.” She shook her head slowly. “I need to go. I can’t do that.”

He smiled. “No problem then.” He pulled the cups of her bra over her boobs and fastened it for her. “I’ll just call the service and tell them what I walked in on. How long have you been watching my movies anyway?”

“I’ve been cleaning your apartment for about three months. I guess I started watching the movies the first or second week I cleaned here,” she said looking down at her hands. “I really don’t want you to call the service. I’ll lose my job.”

He nodded. “I’m sure you would.” He spoke with an even tone of voice. Standing, he removed his suit jacket and hung it in the closet and then started on the knot on his tie. “Here’s the deal. You stay here and spread your legs for me, or I call the service.”

She swallowed hard. She really had no choice. “I guess I spread my legs for you,” she whispered.

He smiled. “I thought you’d see things my way.” He unfastened his shirt and dropped it to the floor. He pulled his belt through the loops, toeing off his shoes and dropping his pants to the floor. He pulled off his socks, and stood naked in front of her, his cock standing out straight and proud.

She gaped at it openly. It was just as big as it had looked in the movie. How the hell did he expect her to take something like that?

He grinned widely at her expression. He took it in his hand and stroked it. “You like?”

She shook her head. "No way is that thing going to fit in me." She was almost panicked at the idea. Could she be excited and panicked all at the same time?

He walked over to her and opened her bra again. He cupped her tits in his hands. "I've never seen tits this big that weren't man-made." He squeezed them hard.

"I've never seen a cock that big that wasn't man-made, so we're even." She couldn't take her eyes off of his cock. Maybe she could understand why men were always staring at her tits.

He pinched her nipple and gave it a quick twist. "Get on your hands and knees, slut!"

She rolled to her stomach and got onto her hands and knees. He knelt behind her. She was still staring at the TV as he got behind her forcing her thighs apart with his hands. He pushed his cock to the entrance of her pussy.

She closed her eyes tightly, bracing herself. She didn't want to even try to take that thing, but she couldn't afford to lose her job. She whimpered as he pushed inside her. He went in a few inches, and then pulled out, only to slam back in. It took several thrusts to make it all the way inside.

Kerri whimpered as she felt him thrust himself balls deep. "It hurts!"

He swatted her ass with his hand. "You know you like it, slut!" He held still for a moment, and then started thrusting in and out hard and fast. "Tell me you like it!"

She tried to move forward, willing to do anything to get away from him, but he just kept thrusting into her over and over.

After a moment, the pain lessened and she began to respond to him. She rocked back and forth in rhythm to his motions, groaning loudly. They showed the face of the woman being fucked by him on the TV and she wondered if her face held the same look of pleasure pain as the woman in the movie.

She groaned, feeling herself ready to come again so soon after her last orgasm. He reached around her and twisted her nipple as she climaxed. She screamed as she tightened around him.

He grabbed her hips and thrust madly a few more times, releasing his jizz deep inside her cunt. He pulled out and leaned back on the bed. He swatted her ass hard.

She crawled off the bed and pulled her clothes on. She would have liked to shower, but was afraid to ask if it was okay. She didn't want to give him any reason to make her stay longer.

“Is this your last job for the day?” he asked casually leaning against the headboard.

She shook her head. “No, I have one more.”

“Just let yourself in when you get back,” he said.

She looked at him blankly. “What do you mean?” Why did he think she was coming back? Did he mean next week when she cleaned his apartment again?

He laughed. “You don’t actually think we’re done, do you? I’ll be here waiting.”

“This last house will take me hours,” she said.

“I don’t care. You’ll be back as soon as you’re done. And tomorrow night. And all weekend,” he told her. “I’ll have my handcuffs ready.”

She finished dressing and brushed her long hair out of her face and pulled her hair back into the ponytail she always used for work. “What if I refuse?”

He grinned. “You liked it. You know you did. You’ll be back. Once a woman gets a piece of my cock, they always want more. Besides, I have the phone number to the cleaning service you work for.”

She nodded and headed for the door. As she walked to her car, she smiled to herself. She’d take as much of that as she could get. She did love to be fucked. Maybe she’d come back in a French Maid’s uniform. That could be fun.....
